

Transmission provider Versant Power will hold an open meeting at 9:00 AM Tuesday, June 28, 2022, to discuss the Annual Transmission Update (“Customer Meeting”) for the Maine Public District. An overview will be provided on projected transmission investment, rate formula changes, annual revenue requirement, rates for the 2022 Annual Transmission Rate Adjustment, and a forward-looking projection based on Versant Power’s 5-year transmission investment filing (Chapter 330).

A presentation will be made followed by an opportunity for questions. Customers unable to attend in person may participate by WebEx (audio/presentation).
